

A Resource for You:

CHR's Veterans Services Coordinator

REAL LIFE. REAL HOPE.

Are you a Veteran, member of the Armed Services or a family member of someone who has served? Are you or your family member struggling with PTSD, substance use, behavioral health challenges or any other concerns?

We are here for you. CHR recently named Bryan Wade, Ph.D., as its new Veterans' Services Coordinator. Bryan is available to you and your family to:

- Ensure CHR is providing state of the art care for Veterans and their families
- Link Veterans and family members to a wide range of resources in the community
- Train CHR staff to help meet the unique needs of our Veterans

The development of the Veterans Services program is made possible by CT-First, a grant to CHR from the U.S. Substance Abuse and Mental Health Services Administration.
