

Emergency Mobile Psychiatric Service

There are so many challenges in our world for youth. But we are here to help and **offer hope.**

Community Health Resources (CHR) provides the Emergency Mobile Psychiatric Service (EMPS) for children and teens in Manchester and nearby towns. We are here to assist you or someone you know with any type of crisis a young person experiences, including emotional or behavioral crises.

WHAT WE OFFER

- Intervening with youth, deescalating crisis situations, and achieving resolutions that meet the unique needs of children and families, as well as their schools and communities.
- As needed, we can help to refer children and families for ongoing care in their community. If you or someone you know is threatening to harm anyone, including yourself.
- One of our abiding goals is to help families avoid the stress and expense of unnecessary hospitalizations.

HOW WE HELP

- We are available to you via phone support, by appointments in person or through telehealth, and through mobile crisis services.
- Our mobile team can be at your location, including schools, in approximately 45 minutes from your initial call.
- We are proud to be a resource and help you meet the needs of children and families in our
